

**'Real-time
functionality is
the great
equalizer.'**

*Bob Slocum
President
Slocum Insurance Agency
Warwick, R.I.*

"Regardless of your agency's size or location, with Real Time you'll experience the same types of savings the largest agents and brokers see.

"Real Time is not going to company Web sites and re-keying information. When I explained the new way to my staff, some felt they could do it faster their own way. But real-time processes blow old methods away by 50% or more."

Experience the power of Real Time.
