"Agents can now automatically receive daily claim updates. It's easy and efficient!"

"Most agents and carriers rely on antiquated forms via e-mail and fax to communicate claims status updates. Now, Claims Download can deliver daily updates right to your agency management system.

"Agents need to be part of the claims process. It's key to providing outstanding claims service. Claims Download is the answer because it delivers automatic, daily updates. The efficiency also reduces an agency's cost to service claims. It's a win-win for everyone."
