

'Real Time is Key to Our Survival.'

*Ed Higgins
Principal
Thousand Islands Agency
Clayton, N.Y.*

"If you don't use Real Time, you probably won't need to worry about how you'll run your agency 10 years from now. There's a good chance you won't have one!

"I believe in the entrepreneurial spirit and competitive nature of independent agents. If I—or the agency down the street—can do in 15 seconds what you take four or five minutes to do, guess who wins."
