

Having memory problems? Forgetting your child's birthday, your anniversary and other family milestones? It's probably because you're trying to remember those passwords for every carrier Web site.

Relax! There is a better way.

It's called "Real Time." This exciting way to improve your agency's workflows for new and renewal business can eliminate the need for multiple passwords. Also, using Real Time to secure a rate or check a customer's billing will substantially cut customer service response times.

The best part is Real Time is a couple clicks

away on your agency's automation system.

Go to www.getrealtime.org today. Learn about specific Real Time functions provided by your agency's automation system and your carriers and see how to get started. Then watch your life become easier.

Real Time. Make it your business.

Real Time
Make it Your Business.

getrealtime.org

This message brought to you by the Real-Time/Download Campaign, which is dedicated to improving the competitiveness of the independent agency distribution channel. Participants include independent agencies and brokers, carriers, technology providers, user groups, and agent and industry associations.
