Say goodbye to double entry

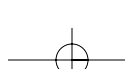

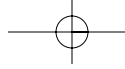

Real Time
Make it Your Business.
getrealtime.org

In the recent AUGIE survey, most agents said double-entry is their major automation "time-waster." There is a better way. It's called "Real Time."

Real Time can simplify your agency's workflows, eliminate double-entry and reduce the time it takes to get a rate or check a customer's claim. And, Real Time is a few clicks away on your automation system!
