

'Real Time lets professionals *be* professional.'

*Keith Savino
Principal
Warwick Resource Group
Warwick, N.Y.*

"For too long independent agents have been merely **processing business**. Now it's time for us to focus our energy on account rounding, client care, risk management and other value-added services.

"The Real Time tools already in most agency management systems allow you to return to being a trusted advisor—a real, professional independent agent. That's what your customers want. Give it to them!"
