

'Our Employees Love Real Time.'

*Stu Durland, principal
Seely & Durland, Inc.
Warwick, N.Y.*

"When our management system vendor introduced **Real Time**, we implemented a new common workflow for policy and billing inquiries. Once our staff saw how easy it was to manage customer inquiries in real time, they bought in quickly. No more double entry and logging on to company Web sites. Employees love it. And happy employees create happy customers.

"At our agency, Real Time is real money."
